

The Gray Havens Concert

The Gray Havens

In concert at the Castle

Join us at The Glen Eyrie Castle for their See You Again tour!

The Gray Havens centers around husband/wife Dave and Licia Radford. Since their beginning in 2013, their projects have been hailed as “an imaginative treatment of faith...[having] a visionary quality that’s both playful and enraptured.” They have a knack for creating a listening experience similar to paging through your favorite book, with richly textured compositions and multi-layered lyrics. Releasing their debut EP on NoiseTrade in 2013, and their first full-length album, *Fire and Stone*, in 2015, the duo has gained a steady following of listeners nationwide.

Their newest release, *Ghost of a King*, debuted at #3 on the iTunes singer-songwriter charts, rewarding listeners with immersive soundscapes and lyrical imagination. From poetic – almost Shakespearean – imagery to grand epics fit for darkened concert halls, to pop music infused with loops and infectious beats, the album possesses a remarkable range. In the context of that refreshing variety, the album stays cohesive thanks to its exploration of the human condition of longing.
