“This place is absolutely beautiful. The customer service is better than we’ve experienced anywhere else. The managers come and mingle and talk with you, asking how your stay is going. They really care about you here. This is evident in every little detail—every event they do, every inch of the property. From walking through the wonderful and fragrant flower gardens, to waking up in a castle, all for a FANTASTIC price. This place is a treasure you have to check out.”

–Jonah, TX

“I decided to stay local for my wife’s birthday this year and I surprised her with a night at a castle! Honestly, I didn’t expect to be blown away by the quality, friendly service and hospitality on the level we received. This is a retreat! This isn’t about amenities. This is about communing with nature in a quiet, clean, and peaceful place with unmatched beauty. Thank you to the staff and we both hope to spend more of our time here. Fabulous!”

“I just returned from a 3 day stay. It was beautiful and very affordable. The staff was excellent too. In the Colorado Springs area I would never stay anywhere else but here.”
