EXTEND THE LEGACY

$5 MILLION OVER 5 YEARS
Dear Friend,

We need your help! I'm asking ministry partners to prayerfully consider a gift to ensure Glen Eyrie/Eagle Lake’s legacy of building disciples, developing leaders, and training missionaries.

I’ve heard it said, “The function of leadership is to produce more leaders, not more followers. That’s been our goal: “For over 50 years, Glen Eyrie has served as a retreat and “home base” for leaders eager to grow and serve the Lord Jesus. Leaders worldwide come away from this stunning valley in the rugged Rockies, both renewed and challenged for greater service in the Kingdom.

At Eagle Lake, we’ve seen thousands of kids accept Christ and hundreds of college students commit to serve Christ all around the world.

Think how God has used Glen Eyrie/Eagle Lake to inspire and change your life and the life of your family. Now imagine the impact of this place for generations to come. That’s why we need your help, so please give.

Grateful,

PHASE ONE: OUR FIRST THREE STRATEGIC PROJECTS

I. THE GLEN EYRIE CASTLE HEATING SYSTEM (BEGUN)

Stewarding an age-old Castle comes with modern-day realities. The Castle heating system—designed by locomotive engineers in 1905—was a marvel of its time. Today, it's costly to maintain, tricky to use, and terribly inefficient. We need a modern boiler, new supply lines, and proper insulation before the system quits altogether.

Needed: $820,000. Funds Still Needed: $40,000

II. CASTLE GUEST ROOM RENOVATION

The Castle rooms are central to every program, tea, tour, event, and personal retreat we offer. After the heating system is replaced, we'll need to repair walls and ceilings, reconfigure electrical and plumbing and swap out lots of fixtures, some furniture pieces, and many room decorations.

Funds Needed: $192,000. 6 out of 12 rooms completed.

III. GLEN PROGRAM SCHOLARSHIPS/EAGLE LAKE CAMPERSHIPS

If you need the ministry of Glen Eyrie, and can’t pay, we dig deep to help with program scholarships/camperships—mostly for single moms, cash-strapped military couples, and struggling college students. But our scholarship fund quickly runs dry and we have to say no, even turn people away. We need to ensure we meet the needs of the next 5 years while we recruit more giving friends to add to the scholarship fund every year.

Funds Needed: $213,000. Funds Still Needed: $105,000

**PHASE TWO:**

- Externally, the roofs and gutters along with some windows and sidewalks need to be replaced. The areas and trails surrounding our lodges also need relandscaping.
- Fire mitigation
- Day Camp Valley, the location for Eagle Lake Day Camp at Glen Eyrie, will need fields for outdoor activities, sprinklers, and a gym for the kids.

Funds still needed: $2,275,000

**III. EAGLE LAKE BUILDING RENOVATION AND EXPANSION**
